Meet the President

Farid Kanji, EA

Happy New Year!!

As 2019 begins and another tax season is upon us, the Board of Directors, of the California Chapter of NATP, would like to thank you for your membership.

2019 promises to be an exceptional year with opportunities and challenges unique to this year and our profession. We have had one of the biggest tax overhaul change in 32 years, IRS and Government Shutdown as we go to press, and a little uncertainty in Rules and Regulations of the New Law, TCJA (Tax Cuts and Jobs Act).

Our 2019 Annual Conference will be held in San Diego on October 18th. Your Board will present the State of Affairs of our Chapter to the members present and we will have great education. We will offer the crucial 5 hours of California hours that are needed for all CTEC members. So please save the DATE, October 18th.

We are looking at making this a family weekend as well with San Diego Zoo, Balboa Park and all of the museums, Sea World, Seaport Village and so many other activities. Watch this newsletter as well as our

Facebook page and California NATP website.

The Board and I are looking forward to meeting you at the State Conference and other educational events.

National Anniversary and California

- The National Association of Tax Professionals (NATP) is celebrating its 40th anniversary this year. Beginning in 1979, National r has continuously offered excellent education, research capabilities, great leadership training, seminars and conferences. We are so proud to be a part of an excellent , professional organization for tax preparers.

- Happy Anniversary NATP! National has selected the

California chapter to participate in a pilot webinar program. Our first webinar was on January 24th titled "Increasing Revenue Services" by CorpNet. If you were not able to attend, you may go to the https://www.natptax.com/Chapters/Pages/CaliforniaChapterEducation.aspx

- If there are any topics you would like to see or learn more about, please let your board know.

- Names and email addresses are on the back of this newsletters with the area of responsibility for each Board Member.

- Remember all CTEC preparers. You are now required to show the CTEC websi8te (ctec.org) on your engagement lett6ers and other correspondence as well as your security bond number. This is a new regulation passed by the California Legislature.
